

Four Leaf Clover

I'm looking over a flour leaf clover
That I over looked before.
One leaf is sunshine, the secod is rain,
Third is the roses that grow in the lane.
No need explaining the one remaining
Is somebody I adore.
I'm looking over a four leaf cover
That I over looked before.

Bicycle Built for Two

Daisy, Daisy, give me your answer, Do
I'm half crazy, all for the love of you.
It won't be a skylish marriage
I can't afford a carriage
But you'll look sweet upon the seat
Of a bicycle built for two.

By the Light of the Silvery Moon

By the light of the silvery moon
I want to spoon, to my honey
I'll croon love's tune.
Honey moon, keep a-shinin' in June
Your silvery gleam, will bring love's dream
We'll be cuddling soon
By the silvery moon.
