

The Emmaus Chorale

March 2023

Dear Singers:

First, just a friendly reminder that rehearsals resume, **Monday, March 13**, (just after Day-light Savings kicks in!) 7 pm @ Faith Presbyterian. Bring the music we planned to sing in the spring of 2020 (if you still have it); however, if you turned in your music, we will return it to you, plus have additional copies ready for new members!

Dues are increasing to \$35, payable in cash or by check. There is no music fee for this concert.

Sharon Koehler & Bonnie Day are graciously hosting 'punch-&-cookies' on March 13, so we'll all have a bit of time to chat, catch up, & greet our new members. Thank you, Sharon & Bonnie!!

The Phoebe Terrace guests mystery has been solved! Nancy Keeler spoke to her cousin who works in the sales department at Phoebe Terrace, and she contacted the activities to coordinator, and that's how we got a bus-load of the residents at our Christmas concert!

Thanks, Nancy!! Anyone else with some retirement community contacts?

And Carolyn Baittinger will be our 'social secretary' for this spring! When you sign in on March 13, please check both your email & snail-mail addresses, and *give us your birthday*. You just might get a card from Carolyn!! Thank you too, Carolyn!!

I attended a concert by the Princeton Singers (who actually are based at Lehigh U...how do they do that?) & the Lehigh U. Glee Club last weekend. All a cap-pella...lovely concert! As their encore, both groups performed "Prayer of the Children." Many of us in the audience left hushed & teary-eyed. Here's one version of the song (there are several more good ones on YouTube) and the back story...enjoy!

See you soon!!
